Junior Indoor Cricket will be introduced to Goulburn from late March. It is proposed that competition will begin on Monday 31 March 2014. If you are interested in signing up please contact Garry on the phone number above.

Goulburn TAFE Children’s Centre currently has vacancies for children aged 0-6 years in 2014. The centre is a high quality long day care service / preschool, and is rated as Exceeding the National Standard for an early education and care service in all areas under the National Quality Framework. To find out more about this award winning centre or to enrol your child please call Megan Short on 48 23 1853.

PRINCIPAL’S REPORT

Come along to P and C next Monday night, 17th March, 7:00 in the library. At that meeting I will present the Annual School Report for 2013. It’s a good group to support as they support the school and your children! For any enquiries ring Chris Webb, our President, on 0434286107.

WELL DONE TO OUR SHINING STARS!

Congratulations to our regional swimmers who were taking part in the Illawarra South East Carnival on Friday. Thank you so much to the parents who supported with their attendance and also transport. It’s a big day up against those who train daily in squads, so well done!

Congratulations also to Sebastian Cohrt and Emma St Vincent, who competed at the State Track Cycling on the weekend in Dubbo. Sebastian came 13th in U13’s in the state. Emma came 7th in U11’s in the state. In Sprint Racing Sebastian was 10th in the NSW U/13 State Champions. Emma went on for another 2 races and made the finals. She came 4th, therefore she is in the top 4 of NSW under 11 girls State Champions.

We are so proud of how all the children performed.

School Sores (Impetigo)
Small red spots change into blisters that fill up with pus and become crusted, usually on the face, hands or scalp.

School or home?
Keep home from school until antibiotic treatment starts. Sores should be covered with watertight dressings.

How can I help prevent spread?

Parents of children who may have had contact with impetigo should look for signs of infection and seek treatment if symptoms develop.

Careful hand washing especially after changing dressings. Avoid sharing toilet articles, towels, clothing or bed linen. Consider using anti-bacterial soap for bathing for two to three weeks.

Avoid scratching or touching the lesions to prevent spread to other parts of the body.

Completing the recommended antibiotic course is very important.
