I am very pleased to be able to offer your child/children piano lessons at school, during the school day. I still have places available on Tuesdays. The cost of a private half hour lesson is $22. I also offer a 15 minute lesson for very young children at the cost of $15 and would consider combined lessons where two students can share a half hour lesson for $15 per student.

If you would like to participate, or require further information, please fill out the form below and return to school and I will contact you.

I would more information regarding piano lessons.

We are now taking bookings for term 4 and have limited spots for morning and after school lessons. The term dates are Tuesday, 7th October to Friday, 12th December.

We also have limited spots for Rainbow Club. (Swimming club for children with disabilities). If your child has a disability don’t let them miss out on a skill for life.

Many people look upon swimming lessons as a summer activity. The skills taught in swimming lessons need consistent reinforcement throughout the year. The risks of drowning don’t go away during the cooler months, so neither should swimming lessons. Our pool is maintained at a constant temperature throughout the year. Provided children are kept warm, dried off and are dressed appropriately before leaving the pool, swimming will be a comfortable and beneficial year round experience.

There will be a school holiday program during the first week of the September School holidays 22nd to 26th. The cost will be $50 per child for the week in group lessons. Please contact us for more details and bookings.
Parents and Citizens of Goulburn West Public School community your committee is trying to establish a long list of names that we can draw from on occasions when there are jobs to do around our school. Jobs might include painting classrooms, making shelves and pin-boards, mulching and planting, replacing fencing and gates, erecting shelters, fixing doors and windows; to name a few.

Any commitment you made will be limited to 2 hours maximum on any given day.

We understand you are busy. We also know that many of you would like to make a contribution to your school but necessarily do not know how; here is your chance.

A job will be organized like this.

- a job expression of interest (EOI) will be sent to you via your preferred method of contact, email or telephone. (you have to register your interest in committing via the gwps_workingbee@yahoo.com.au email address first to be contacted);
- a group of 4 to 6 working bees (people) will be selected from the responses received to the job EOI;
- instructions relating to the job, materials/equipment to bring on the work day, other working bee names, etc. will be sent to the those folks selected to do the job; and
- turn up on the day at the school and complete the job safely.

Parents and Citizens of Goulburn West Public School need your help. We are looking to get a list of interested parents and citizens that would like to help make our school a better place for our children to learn and grow. Help us to help our children and school community by giving 2 hours of your time on a weekend or an evening after school.

Our school grounds and buildings are the focus. We will contact you as jobs are negotiated, scheduled, and names allocated to purchase materials.
