We are now taking booking for term 4 and have limited spots for morning and after school lessons. The term dates are Tuesday, 7th October to Friday, 12th December.

We also have limited spots for Rainbow Club. (Swimming club for children with disabilities). If your child has a disability don’t let them miss out on a skill for life.

Many people look upon swimming lessons as a summer activity. The skills taught in swimming lessons need consistent reinforcement throughout the year. The risks of drowning doesn’t go away during the cooler months, so neither should swimming lessons. Our pool is maintained at a constant temperature throughout the year. Provided children are kept warm, dried off and are dressed appropriately before leaving the pool, swimming will be a comfortable and beneficial year round experience.

There will be a school holiday program during the first week of the September School holidays 22nd to 26th. The cost will be $50 per child for the week in group lessons. Please contact us for more details and bookings.

Congratulations Sienna, Montana, Temia, Chelsea and Jacob who have won the weekly draw for canteen vouchers.

Students are now able to accumulate Westies for their behaviour in the classroom as well as on the playground. Our focus this week is to be prepared and ready to learn. Good luck everybody.

Goulburn West would like to acknowledge the support of the Greengrocer Café for their support of the PBS program.

It would be great if children could also come with the book they are representing through their costume.

REMINDER

Summary of the GWPS Anti-Bullying Policy
If the school is made aware of bullying and evidence exists to support the complaint; the following actions are taken to support our personal development lessons.

These lessons teach strategies to build resilience, strength in conflict, self-esteem and confidence.

1. A member of the school executive meets with the student named and outlines clear consequences should the bullying continue. The victim is invited to hear these consequences, so they know justice is done.
2. Should bullying continue, parents of the bully are asked to meet with a member of the executive. Again, further consequences are clearly outlined.
3. Further bullying behaviour results in either an off playground or full in school suspension.
4. A last resort is applying to the DEC for permission to suspend the bully.
