Principal's Report

We have had a good first week in Term One. Kindergarten started school full time today, with a wonderful group of students, parents and families gathering at 10:00 a.m. Lots of happy photos, smiling children and teary mums!

In addition to Kindergarten, we have had 17 new enrolments in other grades and the OC class. A very warm welcome to West for our new families.

As Kindergarten enrolments exceeded the average for two classes, we have formed a K/1 to be taught by Mrs Bill.

A special thank you to our parents who have been very flexible with necessary changes. Your support, trust and respect for staff decisions is very much appreciated. After all, our Positive Behaviour program aims to help our students treat one another with respect. It is all the more effective when adults display the same behaviour.

Part of our school is our community garden. Students and Mrs McKillop are asking for any excess compost or mulch you may have left at home that can be donated. Please drop a note to Mrs McKillop or contact the office if you can help. Parent and family helpers are also most welcome to assist in our garden. We are looking forward to our autumn planting.
