Goulburn Junior Rugby Union Fizzy Red 2015 Season

Goulburn Rugby ensures every child receives equal time on the field, regardless of age, weight, height, skills, speed or shoe size. Our team of Smart Rugby qualified coaches work together to ensure each team has an even spread of abilities to enable the best growth of players. Games are held at the same time each week, making for an easy-consistent season.

Rego Days
21st March Rugby Park ~ 2-6pm Goulburn Show ~ 9am-5pm
22nd March Goulburn Show ~ 9am-4pm

For further information contact:
Tim Gibson 0409 919 539

Training for under 6’s through to under 12’s kicks off on Thursday 30th April at Carr Conroy field from 5.30 and 6.30pm and then every Thursday evening thereafter. Players will need boots and mouth guard. Head gear is optional.

It’s All about the Boys and Girls

Year Three have been working on some social skills recently. The students break into a boys group (It’s all about the BOYS – Being On Your Side) and a girls group (It’s all about the Girls – Giving Individual Respect, Looking after each other and Sharing) on a Friday afternoon and through different activities they are practising skills in areas such as: • being responsible • loyalty • accepting and including others • respect and good manners • getting to know each other and getting along with others • listening and conversational skills • friendship • dobbing, acting responsibly or asking for support, and how to work with friends to work against; first • peer pressure • putdowns

The boys have spent time sharing and taking turns with games, developing and experimenting with paper planes and designing and taking turns to create games. The girls group have spent time with singing, making friendship bracelets and talking about what makes a good friend. These Friday afternoon groupings are proving to have pleasing results and will continue into term two.

Are you interested in taking the bold (bald) challenge to take part in the recent fundraising for the Leukaemia Foundation in the World’s Greatest Shave?

Congratulations to Kyle for taking the bold (bald) challenge to take part in the recent fundraising for the Leukaemia Foundation in the World’s Greatest Shave.

Principal’s Report

Our parents are welcome in the school. School hours are 9:20 – 3:20. During these hours, if you stay longer than a quick pick-up or drop-off (e.g. reading helper) you need to sign into your area eg the classroom. This is for your own safety, as DEC schools are inclosed grounds.

Parents help in many ways – gardens, groups, PE, canteen, P and C, excursions to name a few. We are really pleased with that.

Please be aware that for the safety of all children, parents may not discipline another parent’s child in school grounds or at the gates. That is a teacher’s job, not that of a visiting adult. Should you have concerns, please speak to your child’s class teacher. All students know that if they are worried, they should find the nearest teacher for support.

 Arrival for pick up of your child should be from 3:15 onwards. Last year, I asked for parents to wait for their children at the gates, or in the case of Kindergarten, at an agreed place. Best places for parents to wait so they do not disrupt lessons are:

Along the long, brick walls of A block (nice sunny spot in the winter)
Under the high windows of C block or the library
On the picnic tables outside O Block

With thanks for your support
Annette Broadbent
Principal

**Premier’s Reading Challenge 2015**

The Premier’s Reading Challenge (PRC) has begun! All students are invited and encouraged to complete the challenge and upon completion, they will be awarded with a certificate of achievement.

Students in Years K-2 will be completing the challenge during their weekly library lessons, as well as in class shared reading times. Students in the Infants years are required to read, or have read to them, a minimum of 30 books; 25 of which must come from the PRC list.

Students in Years 3-6 are encouraged to complete the challenge independently, both inside and outside of school. PRC books will also be shared with students during library sessions. Students in the Primary years are expected to read 20 books, 15 of which must come from the PRC list and they should see Mrs Neville as soon as possible to collect a recording sheet. Each book has a special code and this must be recorded on the sheet, along with the title and author of the book.

The Premier’s Reading Challenge began in 2000 to promote a love of reading and to improve literacy skills. It is inclusive of all students from Years K to 9. The Premier’s Reading Challenge is a free program that is open to all students. The challenge is not a competition, but an opportunity for students to read for pleasure and to develop a love of reading.

**Crunch & Sip**

**Term 1, Week 8 ~ 2015**

Cherry or grape tomatoes are an easy, popular vegetable to take for Crunch&Sip. They are fun and easy to grow too. Let them ripen on the plant or at room temperature. Refrigerating before they are ripe will reduce the flavour and ability to ripen to their full potential.

Red and yellow capsicums are sweeter than the green variety. A medley of different coloured capsicum slices makes a fun traffic light themed Crunch&Sip snack. Baby capsicums are also great to pack whole for your child.

**Congratulations to our Ex-students**
