Principal’s Report

What a lucky school we were this morning. During the singing of our national anthem at this morning’s assembly we were accompanied by Sam Dunn, Naomi Fulton and Lily Moor on the violin, as well as Geoff Stewart-Richardson their music teacher. During the last week or so I have had the distinct pleasure of listening to the violin students practise their instruments under Jeff’s guidance. Goulburn West are very lucky to have three music teachers who come and take the students for individual lessons; Jeff on the violin, Luke on guitar, ukulele, bass and drums and Rebecca on piano. If there are any parents interested in their child taking up a musical instrument, please contact the office for prices and availability.

I would ask parents to remember to check that all student clothing has a name written inside. It helps if it has the name of the current owner and not a previous owner otherwise found clothing is returned to the wrong person. Please ask students to place all their discarded uniform items into their bag during the day. If they’re being given the same message at home and at school it might help reduce your uniform costs a little. Otherwise, please feel free to purchase items from the clothing pool but know that if it has no name on it, you might be supporting the P&C by paying for something you already own.

Don’t forget that kindergarten interviews are being held early term three. Interviews will only be held for students who have had their enrolment forms returned. It will be a case of first in, first served. Have you returned your form yet?

Congratulations to Mason, Emerald, Jordan, Jamie and Michael who have won the weekly draw for canteen vouchers.

Our focus this week is Raise Your Hand When You Wish to Speak.
