Principal’s Report

We wish our boys basketball team (State finals), boys and girls touch teams (almost to regional finals) and eisteddfod competitors all the best in the coming weeks. We are very proud of them.

Most of all I’m impressed when they display sportsmanship and support each other when games get tight. I know they try really hard to do this at a young age.

Canteen - Will it still operate in 2016?

Did you know that there are about six regular volunteers and a small band of helpers who run our canteen catering for 400 children twice a week?

Next year with the departure of our mainstays Bron Malone and Michele Staples-Wise, we may be in real danger of cutting the canteen to one day per week.

Our volunteers are special people who are asked give at least 4 hours a month to assist the children with a great service, raise funds and promote independence for young people to shop for their own lunch.

Step up, offer to learn the ropes, and have a great day helping out.

Survey

We would like to remind parents to follow the link below and complete the Tell Them From Me survey. It is your opportunity to give your opinion and ideas on your child’s experiences at school and home.
