Principal’s Report:

It’s great to hear of our students getting on board with environmental education. Last week, we had a visit from the CSIRO teaching YEAR 4, 5 and 6 students about sustainability. Watch this space for their ideas!

TAKING PERSONAL RESPONSIBILITY
I’ve been impressed by students who look out for each other and we encourage them to address any worries with teachers. Developing personal responsibility in our students is a goal for parents and teachers too.

Contrary to what some may say, our teachers do listen and spend time helping. Teachers investigate both sides of the issue.

For your information, we encourage all children with concerns to follow this process:
- Find the duty teacher and talk to them. Each duty teacher wears a flouro vest and carries a red striped playground bag.
- Talk to the class teacher about other worries.
- Approach the Assistant Principals; Mr Paranthoiene, Mrs Nye and Ms Livesey if the problem persists.
- Talk to parents and ask them to make an appointment to see me in the office.

FOR STUDENT SAFETY
Supervised school hours are 8:55 to 3:20.

Students still waiting for parents after crossing duty may be collected from the office.

Before and After School Care operates in our school hall from 6:30AM to 8:55 AM and from 3:20 PM to 6:00 PM. Enrolment forms for this excellent service are available from the office.

P AND C MEETING TONIGHT MONDAY 15th FEBRUARY AT 7:00 PM. Come along and share ideas for our school. Plans for our new administration building will be on show.

Mrs Broadbent
Principal

TONIGHT at 7.00pm in the Library.

Everyone is welcome to attend and contribute ideas to the meeting.

P&C Meetings are held on the 3rd Monday of every month (except school holidays and December).

---

**CSIRO Workshop**

Take away messages for the students

Solve 3 big challenges:

1. Stop litter in the playground
2. Drastically reduce waste sent to landfill from your school, home and community
3. Create and share stories to inspire a zero-waste, pollution-free future.

School App

Recently we have received a number of calls in regards to the user ID and password for the school app. Please find below for your convenience the information required to log into the school app.

- User ID: community
- Password: goulburnwps

Please note that during the recent school holidays there were some updates to the school app. In particular we have notice that you must go into Settings and ensure that the Groups and Categories are set up correctly otherwise you will not receive notifications. You can select to receive all notifications or select the relevant years depending on which year(s) your child is in.

School Banking

Anyone who has not received their rewards for banking, please let the office know.

School banking is every Wednesday.
